

Tenant Satisfaction Measures

My name is _____ and I'm calling from Pexel on behalf of your landlord, Livin Housing Limited.

Livin wanted us to contact you to ask a few questions about the services you receive from them. Am I ok to continue?

The results of this survey will be used to calculate annual Tenant Satisfaction Measures to find out how tenants feel about Livin's performance in key housing services such as repairs, complaint handling, safety, neighbourhood management and customer service.

The collated results will also be published and reported to the Regulator for Social Housing.

The questions should only take around five minutes and will be used by Livin to help improve services for both new and existing customers. Would you like to go ahead?

Before I begin, I need to make you aware that the interview is carried out under the Market Research Society's Code of Conduct and the call is recorded for training and quality control.
